

Environmental Policy Statement

Redline Assured Security Limited, an Air Partner company, is committed to the protection of the environment in which we live and operate and is an integral part of Redline's values and principles and we consider it to be sound business practice. Care for the environment for the benefit of society is one of our key responsibilities and an important part of the way in which we do business.

We will reduce our impact on the environment to as low a level as reasonably practicable, concomitant with meeting our customer needs at affordable costs.

The Company recognises that good environmental management is achieved through knowledgeable and appropriately trained staff anticipating and eliminating potential environmental problems through good work planning and practice.

In this policy statement we commit our Company to:

- Complying with all relevant environmental legislation, regulations, and approved codes of practice.
- Protecting the environment by striving to prevent and minimise our contribution to pollution of land, air, and water.
- Seeking to keep consumption and waste to a minimum to maximise the efficient use of materials and resources with environmental considerations in mind.
- To continuously apply the learning gained from feedback from our customers, suppliers, and staff.
- Managing and disposing of all waste in a responsible manner.
- Providing training for our staff so that we all work in accordance with this policy and within an environmentally aware culture where each staff member has a personal responsibility to maintain high standards of environmental care.
- Ensure that staff recognise that consideration of the environment is integral to their work activities.
- Regularly consulting with and communicating our environmental performance to our employees and other significant stakeholders.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.
- Set and review realistic targets to ensure that we are continually improving our environmental performance.
- Seek to ensure that our suppliers, contractors, business partners and customers take their environmental responsibilities seriously.
- Monitoring and continuously improving our environmental performance.

The policy statement will be regularly reviewed and updated as necessary. The management team endorses these policy statements and is fully committed to their implementation through the co-operation of everyone in Redline Assured Security.

Steve McMenemy
Managing Director
